Nourishing students is not only our business; it is our commitment to the communities in which we serve. Chartwells is a diverse family of dedicated food and nutrition specialists serving the academic community. We deliver customized solutions that benefit our partners through innovative programs. www.EatLearnLive.com.

Higher One

Higher One partners with colleges and universities to lower their administrative costs and improve graduation rates. Our robust Payment Processing solutions help campuses provide students with options to pay anywhere, anytime while streamlining business office processes. We also offer refund disbursement, data analytics and management tools for institutions, and financial literacy programs and affordable transaction options for students. Higher One supports over 13 million students at more than 1,900 campuses nationwide.

Balfour Beatty Campus Solutions

Balfour Beatty Campus Solutions provides investment, development, construction, and operation solutions to colleges and universities. Through Balfour Beatty's highly successful Public-Private Partnership (PPP/P3) model, higher education institutions are able to bridge the gap between necessary capital building and renovation plans and the resources needed to execute those plans – whether for administrative space, academic buildings, laboratories, athletic facilities, wellness centers or student housing.

Aramark

Aramark is a single-source provider to over 600 higher education institutions for the development of dining and facility management solutions. We offer a complete and innovative array of dining services that include master planning, culinary development and venue design, catering, concessions, and residential, quick-serve and express dining concepts. Our knowledge and expertise extends to a broad range of facilities services, including maintenance, custodial, grounds, energy and engineering solutions, capital project management, and building commissioning.
