

Ms. Teresa Edwards--Biography

Teresa Edwards, CPA, is an experienced accounting professional with over thirty years of experience issuing and compiling financial statements, analyzing accounting standards, reengineering business process, testing accounting systems and managing teams of professionals.

Teresa is the Controller at the Texas A&M University System Office. In this role, she is responsible for the oversight of the System Office operations, interpreting the impact of new accounting standards to the Texas A&M institutions/agencies, compilation of the consolidated Annual Financial Report, assisting IT system enhancements on the accounting system and various other reporting requirements.

She joined the A&M System in 2007 and worked as the Senior Accounting Manager for the System Office where the primary focus was on the System Office operations, Indirect Cost Proposal for all A&M members and the System Office Annual Financial Report.

Teresa worked for the Florida Department of Financial Services for 5 years analyzing best practices and working with state agencies on accounting system upgrades, as well working at the Texas Comptroller's Office in the Financial Reporting section for 8 years. Prior to this, she worked in corporate accounting and worked for a CPA firm in the Houston area. Teresa is a graduate of Texas A&M University and a Certified Public Accountant.
