

Frank Gonzalez--Biography

Frank Gonzalez, CPPM has more than 40 years of experience in Materials Management, Supply, Logistics and Warehousing. Currently, he is the Director of Materials Management and Logistics at Texas State University. He started working in Higher Education at SWT in 1985 as their Property Manager of all Real and Personal Property. He is a graduate of UT Austin with a BBA in Finance.

Frank is a Vietnam-Era Veteran serving 9 years active Duty and 1 year in the Reserves in the U.S. Air Force working in Base Supply and Ammunition Supply career fields. He is an original member of the State Comptroller's Committee that setup the State Property Accounting (SPA) system in 1992. He achieved his Certified Professional Property Manager (CPPM) Certification in 1997 from the National Property Management Association (NPMA). He is still a member of NPMA where he has held National, Regional and local Officer positions over the last 20 years.

He has two sons Justin & Miguel and five grandchildren ranging in ages from 20 to 11. For relaxation, he enjoys shopping Garage Sales & Thrift Stores with his wife, Elva.
